ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows.—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person

seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending a petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

DOMINION ORDERS IN COUNCIL.

(Ref. 931,051.)

AT THE GOVERNMENT HOUSE AT OTTAWA.
Wednesday, the 17th day of August, 1904.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report dated 5th August, 1904, from the Minister of the Interior, stating that by an Order in Council dated the 31st May, 1902, certain lands surrounding Coquitlam Lake in the Province of British Columbia, and fully described in that Order, were sold to the City Council of New Westminster at a nominal price, for the purpose of protecting from contamination the waters of that Lake from which the City obtains its domestic supply.

The Minister submits that the sale of this land, however, did not convey to the Corporation of the City of New Westminster the timber within the area sold, and as the disposal of the timber might defeat the purpose for which the land was sold to the Corporation, the Minister is of the opinion that the public interests would best be served by reserving this timber from sale, and he recommends accordingly.

The Committee submit the same for approval.

JOHN J. MCGEE,

se22

Clerk of the Privy Council.

MISCELLANEOUS.

NOTICE is hereby given that the undersigned has submitted to the Lieutenant-Governor in Council a proposal under the provisions of the "Rivers and Streams Act," R. S. B. Duncan River at Kootenay Lake, and doing everything necessary for the purposes aforesaid.

The lands to be affected by the said works are all the lands abutting on the said Lower and Upper Duncan Rivers and Howser Lake for the full distance of the proposed works or improvements.

The rate for tolls, boomage, rafting, driving of logs, timber and lumber, and for taking care of the same until delivery, proposed to be charged by the undersigned, is to be at the rate of seventy-five cents per thousand feet from points on the Upper Duncan River, and from points intervening between the said Upper Duncan River and the mouth of Lardo River on the Lower Duncan to Kootenay Lake, and at the rate of fifty cents per thousand feet on the Lower Duncan River from the mouth of the Lardo River to Kootenay Lake, the charges above enumerated to cover sorting and booming the same. All necessary boom sticks properly fastened together with chains to receive the same to be supplied by the transmitter, and such logs to be received immediately on their delivery at Kootenay Lake properly boomed. Such charge, however, to be subject to the same being fixed by a Judge of the County Court of Kootenay, pursuant to Section 10 of the said "Rivers and Streams Act."
